

Welcome to the Spring Vermont Open Studio Weekend, May 24 & 25.

Grab this booklet and plan your art tour!
Look for the Yellow Signs.

In this booklet find information about 126 Sites & Exhibits. Use it in conjunction with our website, where pictures, email and artist websites can be found. And see our companion Google map.

During Open Studio Weekend, all sites are open from 10 a.m. to 5 p.m.

HOW TO USE THIS GUIDE:

1. Get the big picture on our locator centerfold map pages 14-15, showing all sites.
2. Map markers show approximate locations.
As you get closer to the site, look for yellow wayfinder signs.
3. Your phone works fine in urban areas but not so well in rural ones. Vermont does not have universal cell coverage. When in doubt, use our directions.

Vermont **OPEN** Studio

Open Studio Weekend is a celebration of the creation of craft and artwork and the work life of Vermont artists. A new generation is embracing hand made, repurposed, utilitarian, and limited production work. These artists are joining many who have been working at their art practice for a decade or more. Take a look through this booklet and go online to www.vermontcrafts.com/visit-open-studio/ to see more about the great variety of artists, sites and artwork you are offered during this event. Check the website for artists who signed up to participate after this booklet was printed. At press time, there were 19 studios that are new to this event.

Tour Loops:
133 artists at
126 sites

Tour Loops

A tour loop is a grouping of studios that are loosely connected to each other via some of Vermont's main roads. They take some of the planning out of touring for Open Studio Weekend as they can be easily visited in one day or over the course of a weekend. We hope they are a useful tool that makes discovering Vermont's rich cultural and natural beauty a bit easier. Of course these loops are the ones we came up with but many other tours are possible and we encourage you to make your own.

What Are Information Centers for Open Studio Weekend?

For Open Studio Weekend, small galleries around the state serve as places to pick up a map and find more information about the local visual arts community. In many cases these galleries are officially designated Vermont State Craft Centers, however, all are worth getting to know and visiting at other times of the year.
